TNSF works very hard to make sure we have your information listed correctly. Please look over your listing and let us know if anything has changed. *Thank you!*

Participating Groups, Parks, and Resorts have agreed to "welcome persons carrying The Naturist Society Foundation membership card." Further, they have agreed to the principles enunciated in TNSF Statement of Values, which says in part: "The Naturist Society Foundation does not recognize groups or clubs that promise or intend primarily to promote sexual activity, or that practice a policy of exclusion based on race, religion, national origin, sex, sexual orientation, or disability. It

is acknowledged that single male visitors may be subject to a quota if a club or resort deems this unavoidable. [Participating clubs are] expected to offer a day visitor rate not greater than that extended to nonmember visitors from other nudist/naturist organizations. The TNSF participating agreement is available for viewing on the Network page of our Website, naturistsociety.com. Clubs having a combined rate for couples are expected to accept a 'couple' as defined by The Naturist Society Foundation card."

The following quality clubs recognize The Naturist Society Foundation card in admitting visitors. Nonetheless, they may bar single persons or first-timers despite TNSF recommendations. Phone the club office to clarify your situation before planning a visit.

Join us on facebook, twitter, instagram and on our zoom meetings. Visit our website for our calendar of current events:
